CRIMINAL JUSTICE AND POLICING

Crime and justice are issues of central political and public concern in contemporary Britain.

Policy Press has an established and impressive list in the field with a focus on fighting for social justice and social change within the criminal justice system.

Our books on criminal justice and policing provide the highest quality research on systems in the UK and around the world, offering new insights and contributing significantly to policy and practice debates happening globally.

We are actively commissioning proposals in interdisciplinary fields.

We will support you at every step of the way, to ensure your important work is accessible to key decision makers, creating impact and positive change in societies.
