

LONGITUDINAL AND LIFE COURSE STUDIES

An international journal

Longitudinal and Life Course Studies is a peer-reviewed journal dedicated to the needs of researchers studying the life course and using longitudinal methods at the interfaces of social, developmental and health sciences.

As the journal of the *Society for Longitudinal and Life Course Studies* it fosters cross-disciplinary and international endeavours, promoting the creation of longitudinal data resources and their application to policy issues.

4 issues per year: January, April, July, October
ISSN Online: 1757-9597

EDITORS

Heather Joshi,
University College London,
Institute of Education, UK
(Executive Editor)

Elizabeth Cooksey,
CHRR at The Ohio State
University, USA
(Deputy Executive Editor)

“ Longitudinal and Life Course Studies provides a much needed outlet for high quality, interdisciplinary research on the life course. No other journal offers life course researchers as wide a range of disciplines, topics and methods. ”

Mary Clare Lennon, Professor of Sociology and Public Health at the Graduate Center, City University of New York, US.
